About Our Company

# INTRODUCTION

---

**Zurich.Credit** started its operations in 1983 in Zurich, Switzerland. Upon successful business integrations and wealth management, we expanded United States, UK, and Middle East in early 2000s.

Our relationship with **Problem Solvers** around the world make us one of the main business consultancy firm in Europe. Our aim is to be honest, trustful to our clients and provide solutions that actually work while keeping integrity and legality as backbone of every business relation we have.

# ABOUT US

**Zurich.Credit** provides global business solutions to individuals, companies, global & local entities in fast changing business conditions in compliance with new regulations.

We closely monitor **global business networks** and establish **beneficial relations** for complex business problems. We have extensive partnership with top banks, global & local market makers and major law firms around the world.
